

Catalyst's Lean Six Sigma Public Training Courses

Prices

All prices are per delegate and exclude vat. The delegate training cost includes comprehensive training materials, full day delegate rate and refreshments (lunch, teas, coffees etc) but not overnight accommodation. As you will see there is a financial benefit to booking modules together rather than separately. BQF Certification exams (2 hr for Green Belt and 4 hr for Black Belt, both Open Book) are optional. The Green Belt exam can be sat on the final day of the Foundation Green Belt course or later at an assessment day. The Black Belt exam can only be taken at an assessment day.

Course	Days	£UK Training & exam	£UK + BQF Certification
